PINOT NOIR

CALIFORNIA

Crafted for life's easy moments and changing tides, Fairweather wines embrace the beauty of unpredictability. Discover a balance inspired by coastal breezes and sunlit horizons. Effortless and approachable wines that are classically styled and ready for whatever the forecast has in store.

WINEMAKING

Fairweather wines are sourced from sunny California, where the cool Pacific breezes temper the late afternoon heat. California has a warm, consistent growing season, which allows the grapes grown here to spend an ideal amount of hangtime on the vine and develop fully ripened fruit flavors with excellent balance of structure, acid and fruit – vintage after vintage.

TASTING NOTE

This Pinot Noir features aromas of red cherry and a touch of vanilla spice. Flavors of pomegranate and red currant are framed by subtle, toasted oak spice. The palate is complex with layers of ripe berry fruit at the front through to a graceful, lasting finish.
