PINOT NOIR

LOS CARNEROS, SONOMA COAST

Crafted for life's easy moments and changing tides, Fairweather wines embrace the beauty of unpredictability. Discover a balance inspired by coastal breezes and sunlit horizons. Effortless and approachable wines that are classically styled and ready for whatever the forecast has in store.

## WINEMAKING

Cool climate-loving Pinot Noir thrives in this notoriously chilly growing region of Sonoma County. Persistent breezes off the Bay, Russian River and Pacific Ocean provide natural air conditioning for hot summer days, the perfect environment for Pinot Noir. The vines grown here endure high stress from wind, fog, heat and poor-draining clay soils. The result – is Pinot Noir with brilliant acid and evenly-ripened fruit.

## TASTING NOTE

This Pinot Noir features aromas of red fruit and warm spice. Flavors of red currant and wild blackberry are framed by subtle oak. The palate is complex and velvety, with bright acid that carries through to a graceful finish.
