SAUVIGNON BLANC  
SONOMA COUNTY

Crafted for life's easy moments and changing tides, Fairweather wines embrace the beauty of unpredictability. Discover a balance inspired by coastal breezes and sunlit horizons. Effortless and approachable wines that are classically styled and ready for whatever the forecast has in store.

## WINEMAKING

Our Fairweather Sauvignon Blanc is sourced from Sonoma County, where this grape is widely planted and enjoyed. Suffice it to say, Sonoma County *crushes* white wines. Here, the temperate climate, varied elevations, gravelly soils, as well as this region's proximity to the Pacific make this the perfect growing environment for cool & sunny weather-loving varietals.

## TASTING NOTE

This Sauvignon Blanc features aromas of floral pear and citrus. Flavors of Canary melon and tart gooseberry, ripe pear and a touch of honey are nicely balanced and rounded out by a bright acidity with the added complexity of a signature Sonoma County minerality.
