

FAIRWEATHER

2024

SAUVIGNON BLANC
CALIFORNIA

Crafted for life's easy moments and changing tides, Fairweather wines embrace the beauty of unpredictability. Discover a balance inspired by coastal breezes and sunlit horizons. Effortless and approachable wines that are classically styled and ready for whatever the forecast has in store.

WINEMAKING

Fairweather wines are sourced from sunny California, where the cool Pacific breezes temper the late afternoon heat. California has a warm, consistent growing season, which allows the grapes grown here to spend an ideal amount of hangtime on the vine and develop fully ripened fruit flavors with excellent balance of structure, acid and fruit – vintage after vintage.

TASTING NOTE

This Sauvignon Blanc features aromas of honeydew melon and white peach. Flavors of tropical passion fruit, ripe pear and a hint of juicy apricot are nicely balanced by a bright acidity and a flinty minerality.
