

## CHARDONNAY 2023 | CALIFORNIA

Discover Old Mountain, a wine that reflects the majesty of nature and time-honored craftsmanship. Each sip reveals a story of the land, inviting you to pause, savor and celebrate life's cherished moments.

### WINEMAKING

Old Mountain Chardonnay is sourced from California, where the terrain varies greatly, from steep mountain slopes to valley vineyards. Differing elevations, soil types and sun exposure produce vines of fortitude that have withstood the elements for hundreds of years and result in wines with big, bold flavors, elegant structure and the best nature has to offer.

### TASTING NOTE

This Chardonnay exhibits aromas of floral white peach, and medium toasted oak. Flavors of nectarine, lychee and lemon cream are brought to a graceful close that lingers long after the sun fades to nightfall.
